MEMBERS' INTERESTS

All Society Members are entitled to register a maximum of 12 surnames of interest. 1 surname and 1 county per line only please. Variations on surnames - e.g. Smith[e], Smyth[e] are registered as multiple interests (4 in this case) and more than 1 county e.g. Dorset / Hampshire / Wilts also count as multiples (3).

Note: Please use BLOCK CAPITALS throughout. We regret that we are unable to publish the details if they are not clearly written.

The above information will be retained on a computer database. Should you wish to view your details on the database please contact the Members' Interests Secretary.

New Interests, and the above contact details, will be published quarterly in the Society Journal. The Search details will also be published on the Society website with your Membership number. No other contact details will be published on the website.

Members can contact the Members' Interests Secretary, either using the electronic form on the website or by writing to Treetops Family History Research Centre, and request the contact details of those researching the same surname of interest. Please quote your own Membership number, as well as that of the person with the same interest, and the surname of interest.

Interests of those who fail to renew their membership will be deleted from the database, usually about 3 months after renewal is due.
